OUTDOOR LIVING

The kitchen remains the focal point of casual entertaining, only today the kitchen has moved outdoors. The popularity of outdoor living has homeowners focused on the color, style and design of the whole entertaining space, rather than a traditional stone or stucco barbecue island where guests gather to watch the host cook.

As these traditional backyard patios evolve into luxurious outdoor living spaces, Danver Stainless Outdoor Kitchens and Brown Jordan Outdoor Kitchens lead the way. With a full line of stainless steel cabinets, powder coated with a rich palette of colors, realistic wood grains or metallic hues, applied to a variety of exclusive door styles, every kitchen can be uniquely designed for a signature look.

WHO WE ARE

Danver Stainless Outdoor Kitchens has been manufacturing stainless steel cabinets for outdoor kitchens since the late 1990's. By showcasing color, style and design and inspiring entertainment, culinary creativity, and leisure living, we have established ourselves as leaders in transforming outdoor entertainment from a simple barbecue island to a fully functional outdoor entertainment space, in which the outdoor kitchen is central to the space.

As a testament to our industry leadership, when the premier outdoor furniture manufacturer, Brown Jordan expanded their presence in the outdoor living market with outdoor kitchens, they came to the experts at Danver. Today, Danver Stainless Outdoor Kitchens and Brown Jordan Outdoor Kitchens deliver uniquely distinctive outdoor kitchens that are both durable and beautiful. From new door styles to standard soft-close hinges, Danver cabinets continue to evolve in quality, engineering and style based on input we receive from designers, builders, landscape architects and other disciplines that rely on us to provide unique signature outdoor living spaces to discerning homeowners.

DANVER

“ Brown Jordan Outdoor Kitchens offers all the style and design details you would hope for on the interior of your home, only completely functional and appropriate for your outdoor space! As a California designer, we are constantly creating cooking, eating, living and lounging spaces outdoors to expand our clients' square footage—the products that Brown Jordan Outdoor Kitchens offers support those designs in the most thoughtful of ways through construction, aesthetic and customer service, too. ”

Kerrie Kelly, ASID, IIDA, NKBA

HOW IT'S MADE

Outdoor living is about more than just personal style and atmosphere; it's also about function and longevity. The Danver Stainless Outdoor Kitchens and Brown Jordan Outdoor Kitchens brands of stainless steel cabinets are especially designed and engineered for outdoor kitchens, transition rooms, rooftops and other spaces where durability is a concern.

Danver and Brown Jordan Outdoor Kitchens are the perfect choice for beauty, style, color and durability, as well as the optimal investment in outdoor living projects.

Our cabinets feature:

- Frameless, European styling
- All doors, drawers and cabinet boxes are manufactured from 100% 304-grade stainless steel
- From 9" to 48", the cabinets are available in 3" increments
- Fabrication, finishing, powder coating and assembly take place in our Connecticut facility
- Cabinets have a lifetime warranty
- All powder coat finishes carry a 7 year limited warranty
- Each cabinet is a standard 30" height with 4" leveling legs available, along with a 27" standard depth (24" depth available)
- Drawers feature double-wall construction and full extension under-mount glides with self-close/soft-close technology
- Doors come standard with soft-close stainless steel hinges
- We have cabinets to fit any manufacturers' outdoor appliance; grills, smokers, side burners, sinks, bartending units and more
- Each project is built to order, ensuring the style, design and color are specific to your project
- Cabinets are delivered fully assembled and engineered for easy installation

WHAT MAKES US UNIQUE

Whether you are styling a space as an extension of the home or creating a unique look to differentiate the space, Danver and Brown Jordan Outdoor Kitchens have the products and design expertise to deliver the quality and durability you demand. Both brands offer a variety of door styles, each with designer color options, affording you more creative control. Brown Jordan Outdoor Kitchens' powder coat palette is an exact match to Brown Jordan furniture, tying the outdoor color scheme together seamlessly.

Danver Stainless Outdoor Kitchens offers 4 door style options; Hampton, Key West, Rio, and Sea Glass (see page 5, 8) in our designer powder coat color finishes. Brown Jordan Outdoor Kitchens expands upon these choices, adding 3 additional door styles in Palm Beach, Bead Board and Louver (see page 5, 9) available in exclusive Brown Jordan powder coat hues. Textured stainless inserts (see page 10) are available to Brown Jordan Outdoor Kitchens' Key West and Palm Beach door styles as well, and can be powder coated or retain their stainless look. Both brands boast the beauty of our wood grain powder coat finishes (see page 11), which allow for the look and feel of wood without the wear and maintenance. However you imagine your outdoor entertainment space, we can help it truly become an extension of the home.

“ As a managing agent representing some of the top designers in the U.S., our experience with Danver Stainless Outdoor Kitchens has been nothing short of remarkable. The quality and dependability of their product is unsurpassed. Add to that their incredible ability to service their clients, and Danver is an obvious choice for any design professional. ”

DOOR STYLES

Danver Stainless Outdoor Kitchens and Brown Jordan Outdoor Kitchens bring function and style together through our exclusive door styles. The stainless steel cabinetry, doors and drawer fronts provide functional strength and durability, while the extensive color palettes, realistic wood grains, metallic hues and other decorative powder coat finishes bring style, color and design to what was once a drab space.

POWDER COAT FINISHES

Our powder coated doors are painted prior to assembly, limiting the chance for rust over time and providing a nearly maintenance free finish. Danver Stainless Outdoor Kitchens has 11 rich hues to choose from, providing a range of opportunities for design and style. Brown Jordan Outdoor Kitchens' powder coat paint palette is a 12-color exclusive line hand-picked for outdoor living space options. Both Danver and Brown Jordan Outdoor Kitchens offer wood grain powder coat finishes, enhancing the design quality of your outdoor living space by providing the look and style of real wood without the wear and maintenance. Each brand is manufactured and painted on the same factory floor, guaranteeing the same quality, durability and longevity you would expect.

BEYOND THE CABINETS

Today, more people than ever are taking advantage of backyard outdoor living, bringing their culinary skills and entertainment needs along with them. The kitchen is a place where people gather in the home and now, it has moved outdoors as a fully developed, outfitted extension of the home, complete with durable, stylish cabinetry and the latest outdoor appliances. The upscale kitchen amenities you would find inside the home are now shifting to outdoor kitchens, transitional rooms and rooftop patios.

The in-house design experts at Danver and Brown Jordan Outdoor Kitchens know how to help customize the outdoor living space precisely as you want it, down to the countertops and drawer pulls. From pizza ovens and grills to refrigeration and bartending, there are countless options for customizing the outdoor kitchen, catering to cooking style and entertainment needs. Investing in the beauty and function of outdoor entertainment space provides exceptional value to the property and more enjoyment for family and friends without ever leaving the home.

FASHION ACCESSORIES

Sometimes, all it takes is that certain something within your design to pull the entire look together. Our solid bronze cabinet drawer pulls do just that with contemporary/modern pulls or natural/earthy pulls. Five hand-polished finishes are available on five different pull options. Just as the right jewelry complements the outfit, these bronze cabinet pulls define the look of your outdoor landscape.

BARBECUE HOODS

The ability to design an outdoor kitchen with the same flexibility as its indoor counterpart presents the occasional challenge – such as ventilating smoke. To overcome the challenge, Danver engineered our own grill hood. These extra depth hoods are designed perfectly for lanais and the transitional “California” or “Florida” rooms with covered spaces, growing in popularity nationwide.

The 304-grade stainless steel hoods complement the rest of the kitchen, whether the cabinets are powder coated or traditional stainless steel. They are available in 36”, 42”, 48”, 60” and 66” widths. With the optional muffler, the sound can be reduced enhancing the comforts of outdoor living.

COUNTERTOPS

The two elements that bring together a kitchen, indoors or outdoors, are the cabinets and the countertops. These elements need to hold up against time and climate, but also have the right look and feel to complement your landscape. Danver and Brown Jordan Outdoor Kitchens can accommodate nearly any type of countertop you want in your space, but not every countertop is built for outdoor environments.

While granite, concrete and soapstone are familiar countertop materials, it's important to remember to use the correct material for outdoor applications; one that remains structurally sound and maintains its beauty over time. We recommend Dekton® by Cosentino for our kitchen countertops. Their ultra-compact surfaces are designed for exterior use. Dekton® surfaces offer UV resistance for color stability outdoors, exceptional strength and high resistance to impacts, scratches and abrasion for use in high-traffic areas and are non-porous requiring no maintenance. Their wide range of colors and finishes, coupled with the diverse cabinet colors and finishes available from Danver and Brown Jordan Outdoor Kitchens, provide an endless variety of styling options to fit your creative needs.

COOKING

One of the great features of Denver Stainless Outdoor Kitchens and Brown Jordan Outdoor Kitchens is that our cabinetry is designed to fit any cooking appliance. Whether you have a favorite grill, smoker, side burner or even a pizza oven, rest assured your selection can be incorporated into your new outdoor kitchen with ease.

During our 15+ years of designing outdoor living spaces, we have experienced the development of all types of cooking appliances for the outdoors. That acquired knowledge enables our in-house design team to guide you to the best options based on cooking style and approach to outdoor entertaining.

Although we do not manufacture grills and other cooking appliances, we do distribute a number of quality brands at various price points for the convenience of our clients, making us the perfect one-stop shop. We can drop ship the cabinetry and appliances to the project site for ease of installation.

The brands we recommend and distribute are listed below. Whether you opt for one of these, or one of your favorites, the entertainment space and guests will benefit.

COOLING / BARTENDING

The convenience of a refrigerator integrated into your outdoor kitchen is a must, regardless of climate. Models and brands perform at different levels of effectiveness based on the surrounding environment. There are also a variety of styles and features available to suite your taste and needs, including two-drawer units, glass fronts and those with panels that match your Denver Stainless Outdoor Kitchens or Brown Jordan Outdoor Kitchens cabinets. Our in-house experts can guide your decision on brand, features and style.

Bartending systems are among the most popular features in today's outdoor entertainment spaces. Whether you want to add a kegerator, a wine cooler or a complete bartending outfit, we can help complete the project with several options, including sinks and faucets.

The recommended brands that we distribute are listed, but regardless of your cooling choice, your entertainment space will look fabulous.

INSTALLATION

Your Danver Stainless Outdoor Kitchen or Brown Jordan Outdoor Kitchen cabinets arrive on site fully assembled and ready to install. If standalone, an entire kitchen can be installed on site within a single day; unlike the more traditional options requiring masons and laborers on site for weeks at a time.

Complete instructions and all the parts and pieces for assembly are shipped with each project. For additional installation instructions and more information, visit danver.com and subscribe to our YouTube channel.

The Danver Stainless Outdoor Kitchens and Brown Jordan Outdoor Kitchens libraries are available for 2020, SketchUp, ARCAT, CADdetails and other design and layout programs. A complete selection is available on the website.
